

FAST Board Meeting Minutes  
9/3/09

Board Members in Attendance: Lisa Canterbury, Tracy Clinger,  
Rod Kettels, Matt Riesen

Coach: George Leatherman

Others in Attendance: Sandy Hopkins, Wanda Heath

Summary:

1) Sandy Hopkins presented the Board with information on fundraising. She distributed a packet of information from the IRS that stated we do not have to 1099 families. The IRS states that if you use fundraising towards dues, you are unable to deduct it from your taxes. If you raise more than you can use and the excess would go towards FAST, that could be written off on taxes as a charitable donation.

Sandy also indicated that it looked like families received 2-3% from using their Kroger Plus Cards.

2) Wanda Heath shared information on the committees she would like to see for FAST members. She distributed a handout with committee breakdowns. Each FAST family will be asked to serve on one committee. Discussion of the committees followed.
