2015 Tim Myers Memorial Short Course Senior Championships

Dear Swim Club Representative,

It is our pleasure to inform you that the Miami University Aquatic Club will host the 2015 Tim Myers Short Course Senior Championships at the Miami University Corwin M. Nixon Aquatic Center from November 20 thru November 22, 2015. Please read the meet information carefully. We have highlighted below some important issues:

- Ohio Swimming will be running a "D" Bonus final in all events 200 yards and below for 14-16 year old swimmers who do not qualify for the Championship (A final), Consolation (B final) or Bonus (C Final) championship heats. 14 year old athletes must be in high school and will participate in either the OHSAA or KYHSAA swimming series in the current academic year.
- All three days of the meet will be prelim/finals.
- This will be a Division by Team Meet. Divisions will be collegiate and non-collegiate. Athletes who competed in NCAA competition will be categorized under the collegiate division.
- We are asking all teams to notify the admin referee/official before the start of the Sunday preliminary session if they have swimmers or if their entire team is planning on scratching from finals on Sunday.
- We will be awarding medals to the Top 3 in each event (including relays) and we will be giving ribbons 4th thru 16th in individual events only. The Top 3 will be asked to immediately report to the awards stand following their race.
- Team Trophies will be awarded for women's, men's and combined high point. Individual awards for women and men high point for the top 15-16 year old plus 17-18 year old. A virtual team trophy is being created on the Ohio Swimming website for the team scoring the highest points.
- The Meet will be scored thru 20th place. This includes 2 places from the C Heat. If the event doesn't fill the heats, points will be awarded accordingly. Neither the "D" (14-16) Final nor the collegiate division will be eligible for scoring.
- **All Star Mixed Gender 200 Medley Relay** - Each team is allowed to enter their best 2 girls and 2 boys for an All Star relay. This will be swum as the first event in finals Friday night. All teams entered will be entered in finals. A perpetual plaque will be awarded to the fastest Ohio Swimming All-Star Medley Relay.
- **50 Butterfly / Backstroke / Breaststroke** - Please note swimmers are still only able to compete in 6 individual events for the meet. These events will be Timed Final events and contested during the Preliminary session only.

The philosophy of the Ohio Short Course Senior Championship is to promote excellence within the ranks of Ohio Swimming. The purpose is not only to provide a venue for those Senior swimmers aspiring to attain Sectional and National qualifying times, but also to give all Senior swimmers within Ohio the opportunity to participate in a high quality competitive meet. The Ohio Short Course Senior Championship is open to all swimmers who meet the following criteria:

- High school athletes, 14 years old and older, who are in or beyond their freshman year and will compete in a high school swim meet during that academic year;
- Collegiate or Masters athletes;
- Disabled athletes who meet the eligibility criteria that are required of other meet participants.

We encourage all teams to support this meet. We want to continue making this an exciting event for all our senior athletes at all the levels.

Sincerely,
Chris Hadden
Senior Chair – Ohio Swimming

Meet Officials and Certification

The Miami University Aquatic Club will need the help of your USA Swimming Officials. Please contact Edgar Caraballo at caraballo.ej@gmail.com to provide names of your officials who wish to volunteer.

All USA Swimming certified officials willing to volunteer should fill out and submit the Application to Officiate. Link to the online application can be found on the Meet Events page on the Ohio Swimming Website and the Meet Host website.

In addition, this meet will be an Officials Qualifying meet for certification at the N2 and N3 initial levels and for N2 and N3 re-certifications (QM). Officials wishing to be evaluated should indicate that in the online Application to Officiate. Link to the application is available on the Ohio Swimming and Meet Host website.

Note: To be evaluated for certification or re-certification at any level, an official must work at least 4 sessions at the meet, even if the evaluation requirement is for only 2 or 3 sessions in a specific position.

Special notice to those interested in obtaining National Certification as a Chief Judge, Starter, or Referee: First priority for assigned positions will be given to those seeking certification, as well as, a commitment to working all sessions of the meet. This better serves the athletes and provides a consistent training experience. Preference will also be given to those seeking either an N2 or N3 Evaluation. If the evaluation is for "Recertification", then one must work the minimum number of sessions in each position in which he/she is recertifying. For specific requirements, refer to the [USA Swimming](http://www.usaswimming.org) website>Member Resources>Testing and Certification>National Certification.

Official's uniform will be white over navy for all sessions. Shorts are permitted for Preliminaries. Long pants (men or women) or modest length skirts (women) will be worn for finals. White covered toe athletic or deck shoes for all sessions.

Championship Procedures

Warm-Up Procedures	<ul style="list-style-type: none"> Participating teams shall be assigned to specific lanes for the warm-up period based on number of participants. The coaches of the teams assigned to each lane shall determine the warm-up procedure for that lane. Except during supervised racing starts, swimmers must enter the pool feet first in a cautious manner with one hand in contact with the pool deck. The timing of warm-ups may be by gender, by age group or any mixture in order to keep the number of swimmers warming-up at one time as equal as possible. The host may choose to divide the warm-up by team and have an entire teams' athletes' warm-up together. In this case, teams should be assigned "early" and "late" warm-up sessions on different days so that no team is advantaged over another.

Coaches should stand near starting end of the pool when starting swimmers on sprint or pace work. <p>Miscellaneous Safety:</p> <ul style="list-style-type: none"> Backstrokers shall ensure that they are not starting at the same time as a swimmer on the blocks, and they must enter the pool feet first. Swimmers shall not step up on the blocks if there is a backstroke waiting to start. Swimmers shall not jump or dive into the pool to stop another swimmer on a recalled start. Swimmers are required to exit the pool upon completion of their warm-up period to allow other swimmers adequate warm-up time. The pool is not for visiting or playing during the warm-up session. Warm-up procedures shall be enforced for any breaks and/or any areas used for warm-up and warm-down during the competition.
Seeding	<p>Entries will be seeded as follows: Short Course Yards, Long Course Meters, and then Short Course Meters. Times cannot be updated once received.</p>
Protest Procedures	<p>All protests must be submitted in writing within 30 minutes following the contested race to the Meet Referee or their designee.</p>
<p>Scratch and Positive Check-In Procedures:</p> <ul style="list-style-type: none"> Athletes entered in the 500 Free, 400 IM, and 1650 Free are asked, as a courtesy to other competitors, to positively check-in for these events by the posted deadline.
